[00:00]

Hello everyone!

[00:10]

Tim and Melinda are running late, but we have a lot to get through, so we should get started.

[00:20]

Jason, can you please take the minutes today?

[00:26]

Yes, of course, Tony.

[00:29]

No problem.

[00:32]

Thanks.

[00:33]

Okay, let's get the ball rolling.

[00:38]

First on the agenda today.

[00:41]

Carrie, can you please give us an update on the marketing strategy for our new beverage,

[00:49]

Ginger Cola?

[00:51]

Yes, Tony.

[00:53]

Well, we have decided to pitch the new Ginger Cola as a health and energy drink.

[01:02]

Fantastic.

[01:05]

I think this will be our next big hit.

[01:09]

There is no reason that it shouldn't be a winner.

[01:14]

It tastes great.

[01:17]

It's healthy. And it has very low calories.

[01:22]

It's perfect for working out.

[01:26]

Let's make this the next Red Bull energy drink.

[01:31]

Where are we with the advertising and promotion strategy?

[01:36]

We still have a few things to work out. But we are planning to have a power hitter from the Japan baseball league as a celebrity endorsement.

[01:50]

We still have to iron out some details. But we think he's a great fit.

[01:58]

Great idea.

[02:00]

Well, let's set aside more time at the next meeting.

[02:05]

For a more in-depth look at what you have planned.

[02:10]

Of course, that's really important. But we have a lot to cover in today's meeting.

[02:18]

Okay, Tony.

[02:21]

I will be ready to present to everyone then.

[02:25]

Let's move on to the next topic.

[02:29]

I have sent around an action list for each of you to take a look at.

[02:35]

It includes a look at the following calls to action that we need to address.

[02:42]

For the upcoming charity Walkathon.

[02:47]

Let's take a few moments and go over everyone's role.

[02:53]

This is extremely important for us.

[02:57]

We need to give back to the community.

[03:01]

I couldn't agree more.

[03:04]

This has been at the top of all our agendas. And we have come up with some pretty innovative ideas.

[03:14]

Let me start things off.

[03:17]

If that's okay with everyone else.
